

L^AT_EX basics

L^AT_EX installations

Tiep Vu
August 2016

- **MiKTeX** for Windows.

- **TeX Live** for Linux and other UNIX-like systems.

- **MacTeX** redistribution of TeX Live for Mac OS X.

- **VnTeX** for typing Vietnamese (I've never used).
 - Check [this link](#) for another solution (works in my Ubuntu).

- General editors: Sublime, Notepad++, ...
- L^AT_EX oriented editors: Tex Maker, WinEdt, TeXworks, ...
- Online editors: ShareLatex, Overleaf, ...

Full comparison of L^AT_EX editors.
